## Cornerstone Ceremony Set For Hospital Dedication

A special cornerstone ceremony will be held in connection with the 2 p.m. dedication program at Lockwood - MacDonald Hospital Sunday.

Articles going into the cornerstone will include reports, list of "Cornerstone Club" members, newspaper accounts and other articles on the history of the hospital.

Dedication of the new multi-million dollar facility will include the official name changing from Lockwood Hospital to Lockwood - MacDonald Hospital in honor of Petoskey native son Elton F. MacDonald. MacDonald, of Harbor Springs and Bloomfield Hills, is one of the principal financial backers of the fund-raising drive. He will make a few remarks at the program.

Chester A. Crago, president of the board of trustees, will preside at the affair and will introduce the trustees and department heads; Dr. Lester A. Kilpatrick, president of the Bay View Association, will give the invocation.

G. A. Drake, M.D., will make a brief talk. J. W. Scoggin, trustee and building fund general chairman, will speak and then introduce Sen. Thomas F. Schweigert, R-Petoskey, who will give the address.

The cornerstone ceremony will conclude the program and tours of the new hospital will follow. A souvenir program is being printed with a photo of the hospital and reports on the history of the old and new hospital.

## Lockwood Program Sunday

Dedication of the new multi-million dollar Lockwood-MacDonald Hospital and cornerstone laying ceremonies for the new facility off Arlington-ave. will be held at 2 p.m. Sunday.

The hospital is being renamed in honor of Elton F. MacDonald, head of the giant MacDonald Enterprises and a Petoskey native son who now lives at Harbor Springs and Bloomfield Hill.

Tours will follow the program. Sen. Thomas F. Schweigert, R-Petoskey, will deliver the dedication address. Others who will be heard include Chester A. Crago, president of the board of trustees; G. A. Drake, M.D.; Joseph Scoggin, trustee and building fund general chairman; Dr. Lester A. Kilpatrick, president of the Bay View Association, will give the invocation.

The public is invited. In case of bad weather, the program will be at the Bay View Auditorium.
