

Cookbook Sale

This is more than your average cookbook.

It includes:

- 389 Recipes—Many handed down through generations
- Interesting notes about some of the recipes
- Fun to read 'fillers' that include information on Emmet Co., Genealogy funnies and quotes. Would you like to know how much a lot on Oden Island cost in 1961? That fact is in our book.
- Historical Emmet County Photos

Our first book, 10 years ago, was a success. So we have put together another! Check it out.

They make great gifts!

A portion of the proceeds go to local food pantries.
