**WINTER SPORTS TOBOGGAN RUN**  
*Petoskey, Emmet County, Michigan*

*Gone but not forgotten is this toboggan run which ran through what is now the Winter Sports Park*

*Toboggan Sliding on Petoskey's double 1,500 foot wood run was one of the thrills at Winter Sports back in the 1930's. With good ice, some toboggans were believed to have hit 60 mph. On the run here are June Hagle, Mary Jeanette Schaller, Margaret Leshner and Kathryn Gibson of Petoskey. {News file photo}*
