Fifty Prizes Won.

The great New Year's shoot under the management of the Outer's Rifle club, given Saturday at the Allen Brubaker place on the west bluff, was an exhibition of shooting well worth seeing, and about fifty desirable prizes were taken. From 10 a. m. until 4 p. m. the shooting was almost continuous and marksmen from Petoskey and other parts of the county were greatly in evidence. Good interest was shown and some very remarkable shots made. In one hundred yard match at four-inch bull's eye, in which six men were entered, five shots came within the bull's eye and four of these were made by members of the H. S. club. The only unfortunate feature of the occasion was the strong wind that largely prevented offhand shooting and the rest was generally used. Among the fifty prizes won, Marksman Stabler, of Petoskey, carried off the best, a fine turkey.
