MEAT MARKET

This was Petoskey in the 1870's. The photo is owned by Ralph Jordan. Howard Beach a Petoskey Historical collector, said the photo was taken of E. Mitchell St. and shows the south side of the street east of the Grand Rapids & Indiana Railway tracks. The *Meat Market*, he said, was operated by John Davis. Above it was an Art Gallery. In the center of the photo is the *Central House*, a hotel. The G.R. & I. didn't reach Petoskey until 1875.
