Raided Again

The John Karamol place on Mitchell street was raided at 3 o'clock Saturday afternoon by Deputy Sheriff Pettengill, Dr. G. A. Parmenter, Edward Dean, Rev. C. E. Pickett, N. J. Stone, J. W. Green, and Norman Bowman. The men entered the place and after failing to find any suspicious liquor confiscated a bottle of beer from which Frank Woods was drinking at the bar. This will be tested within a short time.

Mr. Woods has been in Petoskey for about two weeks working under the direction of the local option committee. Just what all he has accomplished can not be learned but it is rumored that several arrests are likely to be made within a few days.
